THE VATICAN

The Vatican is the world's **spiritual headquarters.**

For centuries, its influence has extended far beyond religion, shaping kings, governments, and global events.

BEEST UIT DE ZEE

WASHINGTON, D.C.

Washington D.C. was established as a **federal district independent** from any U.S. state.

Today it serves as the command center of the world's most influential military and political power.

BEEST UIT DE AARDE

THE CITY OF LONDON

Hidden inside Greater London is a **separate financial district** with its own traditions, institutions, and authority.

This square mile became one of the most powerful financial centers in history.

THREE CITIES. THREE FORMS OF POWER.

THE VATICAN	THE CITY OF LONDON	WASHINGTON, D.C.
represents **spiritual** influence.	represents **financial** influence.	represents **political** and **military** influence.

Together, they form the pillars of the **modern world order.**

BEYOND NATIONAL BORDERS

According to alternative power-structure theories, the most important decisions are not driven by **nations alone.**

They are driven by interconnected **financial**, **political**, and **religious** institutions.

A GLOBAL NETWORK OF POWER

Governments change.

Presidents come and go.

Political parties rise and fall.

But institutions remain.

THE SYSTEM ABOVE GOVERNMENTS

Most people study countries. Few study the institutions operating above them.

The **real structure of power** becomes visible only when the connections are mapped.

HET BEEST UIT DE AARDE HAD TWEE HOORNEN, DES LAMS HOORNEN GELIJK

Het beest dat uit de aarde opkwam had twee hoorns, des Lams hoornen gelijk. Dat is, hij gedraagt zich in uitwendige schijn, in belijdenis, inauguratie van presidenten met eedzwering op Bijbel, Gods Naam op geprinte valuta en in de onafhankelijkheidsverklaring 1776, als dienaar van het Lamme Gods, de Heere Jezus Christus, terwijl werkelijk alle ingezworen freemasonry leden binnen regeringen en USA overheidsinstanties de godslasterlijke roomse doctrines belijden en de satanische symboliek lief kozen waarin satan wordt geëerd en aanbeden, en spreken hierom de taal die de draak hen gaf te spreken. De vrome schijn hadden de ze nodig om net als het roomse pausdom het vrome christelijke misleidde Amerikaanse volk op valse wijze achter zich te krijgen. De secularen kregen brood en spelen.
